

We will be operating along the Safer at Home guidelines for Sports Activities:

- Waiver is REQUIRED and must be signed by a parent/ guardian of the player before participation. Waiver is attached via registration and/or can be requested on site.
- Education will be provided on COVID-19 for camp staff prior to the start of camp.
- No one is allowed to participate in training sessions or games if they show signs or symptoms of COVID-19 in the past 14 days and have known exposure to someone that has been ill in the last 14 days
- If anyone shows signs and/or symptoms of COVID-19, they must leave the sporting activity immediately and go seek medical care and/or testing for COVID-19.
- Masks will be worn by anyone that is not directly involved with athletic activity – coaches, injured players, etc.
- Anyone not directly involved in the training session will not be allowed on the fields –
 - We are limiting who is near the training fields
 - Spectators may watch if they keep social distancing from parking lot.
 - Social distancing between families is required in parking lots
 - Staggering 6ft distance for arrival and drop-off times or plan to limit direct contact with parents.
 - If possible, the same parent or designation person should drop off and pick up the camper. Avoid high risk such as grandparents who are 65 and older.
- We will provide Sanitizer stations throughout the complex and restrooms
- Where possible we still practice skills and drills that can keep participant 6 feet apart
 - If possible, groups will be kept the same along with the same staff in a separate area.
- Players will bring their own ball and sanitize before/after training
- No handshakes, high fives, or physical contact

- No shared water, drinks, or snacks – each player properly labels drinks and return to backpack
 - There will be no water coolers to refill bottles. If needed, bottled water/sports drinks will be sold separately at camp.

Overnight Residential Camp

- If possible, groups will be kept the same throughout camp.
 - Roommates will be kept the same throughout camp.
 - Coaches and chaperons' will be kept the same throughout camp.
- No socializing after group activities. Each group will be led to and from locations by the same coach and/or chaperone.

Anyone participating in the overnight camp should for the next 14 days minimize in-person contact with anyone 65 or older, especially someone with pre-existing health conditions.

Promotion of healthy hygiene practices will be reiterated throughout each camp.

**Campers and staff members will be temperature checked each day upon arrival.
Any child or staff member with a temperature of 100.4 or above will not be permitted to attend and will be immediately send home.**
